\_\*\*QUICK NOTE: EVERYBODY LETS PRETEND VOLDEMORT DIDN'T DIE. BY THE WAY SOME CHARACTERS (MOSTLY VOLDEMORT) WILL BE OOC A LOT. SORRY FOR THAT BUT I HOPE NOT.\*\*\_

\_\*\*VOLDEMORTS POV\*\*\_

\*\*\_ONE DAY\_\*\*

"I need a holiday, but where to?" I thought.

I took out my computer and searched up 'Good Holiday destinations.'

"No...No...No..." I said.

There were to many places I didn't want to go.

"No...No...No..." I continued searching.

"No...No...N-Yes." I clicked on a link.

It brung me to a page.

'Come visit Australia with this awesome package deal. Flights to gold coast plus accommodation, theme park tickets, a voucher for facial plastic surgery."

"Oh. I need facial plastic surgery. I wonder if they'll do nose's..."  
I said.

I scrolled down, then found a button that read: Book Now!

I entered my details and printed out the tickets and vouchers and stuff.

Wow. I was off to the Gold Coast Australia. I checked my boarding ticket. I found the leaving date and freaked. It was tomorrow.

I ran upstairs and used my wand to help me pack. I set my alarm clock to 3:00AM and slept.

\_\*\*SAME POV\*\*\_

I was already to go at 4:00AM. I left and went to the airport.

I bordered onto my plane fine. I sat in a window seat next to a fat person. He was very annoying, he kept poking me and insulting me about my nose. He played the 'I got your nose' trick a lot. I felt like taking out my wand and killing him. Right then. Right there. But I managed not to.
